

Recently, over 60 men and spouses gathered to celebrate what God is doing in the Lowcountry through CBMC (Christian Business Men’s Connection). CBMC SC Lowcountry was established 5 years ago in coastal South Carolina. The local men’s ministry has grown to 10 teams with over 100 men meeting regularly for prayer, fellowship and mission. CBMC was established in 1931 with now 680 teams of men meeting around the world.

This year’s Burger Bash was held on a beautiful South Carolina evening with a spectacular sunset over the Colleton River. The evening was dedicated to Young Professionals (men under 40) celebrating the first year of the Billy Gray Young Professionals Team. Billy’s legacy lives on through his dream of starting a CBMC SC Lowcountry Young Professionals Team at work. CBMC SC Lowcountry is an all-volunteer 5 Star Region with active C3, TAF and YP teams, Discipleship and Outreach Events.

The highlight of the evening was the presentation of the Ambassador for Christ Award to Brad Tholen, who has selflessly served God in ministry and community.
