

Last night over 50 men and spouses gathered to celebrate what God is doing in the Lowcountry through CBMC (Christian Business Men’s Connection). CBMC SC Lowcountry was established 4 years ago in coastal South Carolina. The local men’s ministry has grown to 9 teams with over 100 men meeting regularly for prayer, fellowship and mission. CBMC was established in 1931 with now 680 teams of men meeting around the world.

This year’s Burger Bash was dedicated to Billy Gray who was tragically called home last May. Billy’s legacy lives on through his dream of starting a CBMC SC Lowcountry Young Professionals Team at work. The Billy Gray YP Team helped our region to become the first CBMC all-volunteer region to achieve 5 Star status. CBMC defines 5 Star as a region with active C3, TAF and YP teams that also does discipleship and holds outreach events.

The highlight of the evening was the presentation of the Ambassador for Christ Award to Ed Grecco, who has selflessly served God in ministry and community.
